

Make a Gift

Philanthropy plays a pivotal role at St Cross, helping the College attract exceptional students from all backgrounds and foster the best possible environment for intellectual and personal development.

This year, your philanthropy will go even further. **Gifts will be doubled in value*** thanks to a generous matching contribution from friend of the College David Scrymgeour.

While you can give to any cause at St Cross, David's support will endow a new Community Bursary, rewarding our students' community involvement, leadership and entrepreneurship.

To make a gift, scan the QR code above or visit www.stx.ox.ac.uk/giving
For full details of the matching gift, visit www.stx.ox.ac.uk/matching

*Single gifts will be matched 1:1; regular (monthly, quarterly, annual) gifts will have the first year matched.

Update Your Contact Details

One of the main roles of the Development Office is to foster your connection with the College and our 6,000-strong global community of St Crossers. We would be delighted to send you event invitations, the termly e-newsletter and publications such as Crossword.

We would also be glad to hear about any news and career developments on your end.

You can update your contact and business details via a short online form, which can be accessed using the QR code above or by visiting <http://q-r.to/StXUpdate>

For more information or for help with any questions please contact our Development Team at: development@stx.ox.ac.uk

The film wrap that your St Cross College publication has arrived in is made using natural biopolymers, consisting mainly of potato and maize starch which is fully sustainable. There is no polythene in this product so when it degrades there are NO microplastics left in the soil/watercourse. It conforms to EN13432 so it's fully compostable in your household compost heap. In theory it could be put in your council garden waste or food waste bin but not all councils will accept it so you would need to check with your local council.
